

Kalyan Kumar – Chartered Accountant

Kalyan, a Chartered Accountant by qualification and a national merit holder, is a restless being trying to do everything possible to upgrade management practices amongst family businesses, medium scale enterprises including start-ups. A coach to CEOs, Promoters etc., he is instrumental in professionalizing and transforming numerous Indian Businesses to global standards. Having worked with MNCs like KPMG and Suzuki, he is determined to change the way Indian corporates work.

His simple yet effective management solutions help in aligning entire organization to corporate objectives. His recent innovation “M-eye” which automates employee scorecards and business analytics is used by corporates to enhance efficiencies and improve corporate performances. It has won Kalyan, “Pathfinder” award from The Economic Times.

Strong in technology and its application to business challenges, he is currently working on productizing consulting services thereby reach larger audience which would have been impossible as an individual. He heads a strong and motivated team of 50 plus professionals under Brisk Group and travels widely across the globe for solving challenges in business management. He is also publisher of “The Business Enterprise” – a unique business and management magazine of India.
